CAPITOL POLICE CHIEF
STEVEN A. SUND

Audiobook read by the author

Now, for the first time, Chief Steven Sund has written the definitive inside story of the perfect storm of events that led up to the attack on the US Capitol on January 6, a day that rocked the nation and threatened our democracy. As the Capitol descended into chaos, insurrectionists infiltrated and stormed its hallowed halls and democracy was pushed to the brink. Few people realize just how close we came to seeing the Vice President, the Speaker of the House, and countless members of Congress beaten, maimed, or killed.

AUTHOR SPOTLIGHT

LEE HALVERSON

Growing up in a strict working-class and Lutheran household, Lee Halverson's family's genuine work ethic and Christian values fueled him to overcome the trials when he served on the war's frontline. This upbringing made him a person with great integrity and an open mind.

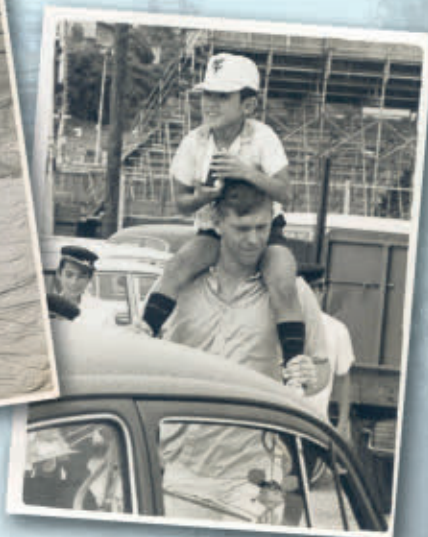

As a war veteran, Lee has gathered both good and bad experiences in war. He realized that his memories of these experiences need to be shared. Lee incorporates his real-life stories in his book, "*Cong Catchers: A Soldier's Memories of Vietnam.*" This book is a memoir providing a glimpse of a man who chose to honor his Christian values while fighting in his country's war.

As an author, Lee Halverson has allowed us to witness struggles and triumphs through his writings. He proves that no lesson is more authentic than those coming from stories experienced firsthand.
