Take a walk
through a
writer's city

On sale March 2023

CAMBRIDGE
UNIVERSITY PRESS

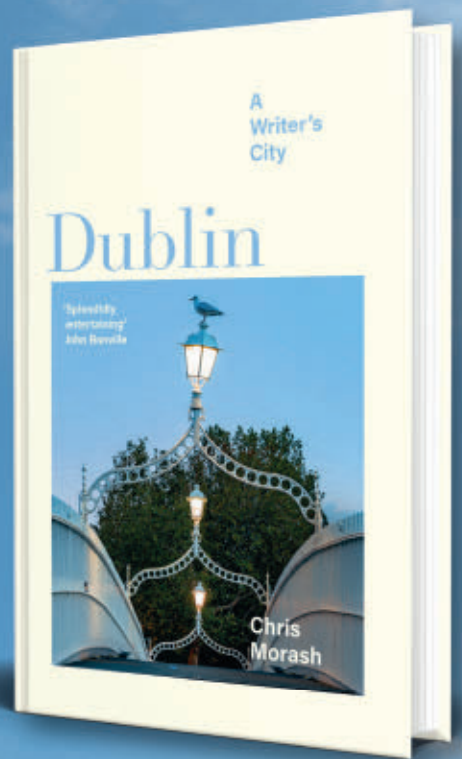

The words of its writers are part of the texture of Dublin, an invisible counterpart to the bricks and pavement we see around us. Step-by step, Dublin: A Writer's City unfolds a book-lover's map of this unique city, inviting us to experience what it means to live in a great city of literature.

"Dublin: A Writer's City is a comprehensive guide to this incomprehensibly graphomane capital, less city than town, less town than village, less village than inkpot."

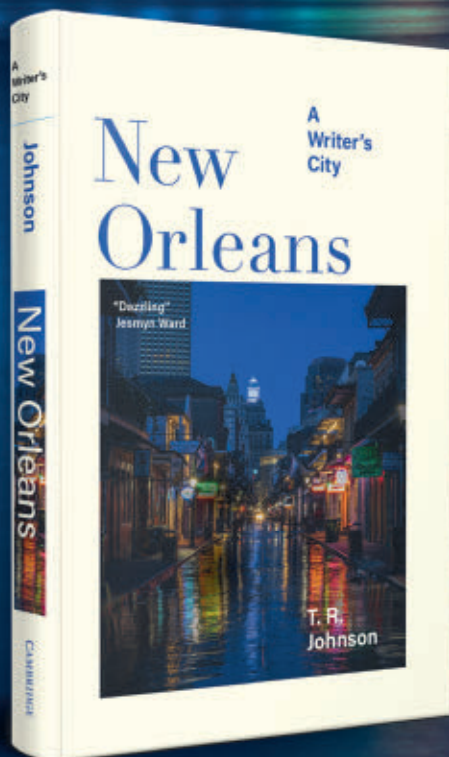

John Banville, Booker Prize Winner

"Moving lightly from the deep past to the present day, Christopher Morash has managed to be affectionate, accurate and comprehensive, all at once."

Anne Enright, Booker Prize Winner

9781108831642 | HARDBACK | MARCH 2023 | \$29.99

Cinematically written and full of illustrated maps, *New Orleans, A Writer's City* invites you to follow the footsteps of literary greats. Wander the streets from Royal to St. Charles, exploring the complex city which inspired the greats of American literature.

"Dazzling in depth and breadth, this book sings with the voices of those who have been moved to create art about New Orleans, from Walt Whitman to Zora Neale Hurston to Beyoncé to Maurice Carlos Ruffin."

Jesmyn Ward, two-time winner of the National Book Award

"A thoughtful, comprehensive stations-of-the-cross journey through the literary history and traditions of a city that has done more, pound for pound, to create our American culture than any other. If you love New Orleans, you need this compendium in your library."

David Simon, *The Wire*

8 FROG STREET

Rezaul Khan was an economist for many years. Particularly, he worked in international development. In those years, he wrote economic and project reports, but today, he has published one book and another book will be published soon. He is planning to write several fiction books. His first book is *8 Frog Street*. It is set in Manila, Philippines and is based on the experiences Rezaul had while living there.

In *8 Frog Street*, Rezaul Khan writes about Lee Chan, a mysterious tycoon who immigrated from China. Growing up poor, Lee grew up to be a Forbes-listed multibillionaire. However, the story does not highlight Lee's business savvy, but the mystical creatures surrounding him and his success.

The story is told by Richie King, Lee's neighbor who encountered supernatural entities related to him. Uncover the mystery Lee Chan in *8 Frog Street*.
Book-to-film adaptation of 8 frog street is ongoing.

E-BOOK

979-8-88622-391-0 | \$2.99

Otilia Greco was born in the Swiss Alps, but she considers Greece her second home. Having come from an artist family, she graduated from Zurich University of Arts and traveled extensively throughout the globe. She is proficient in six languages and studies human conditions. These experiences coupled with her life's work have given her inspiration to create influential characters and reflective plots. Otilia has published five books.

Angelica's Discoveries is one of Otilia Greco's historical romances. Set at the time after World War II, it tells the story of Angelica and how she conquers her fears. Angelica grew up in the Swiss Alps, saving her from the chaos and destruction of war, but when she becomes a woman, she is compelled to travel and overcome her fears.

In *Angelica's Discoveries*, Otilia introduces a woman who bravely goes on an adventure to discover love and her true destiny.

CHARLES FEGGANS

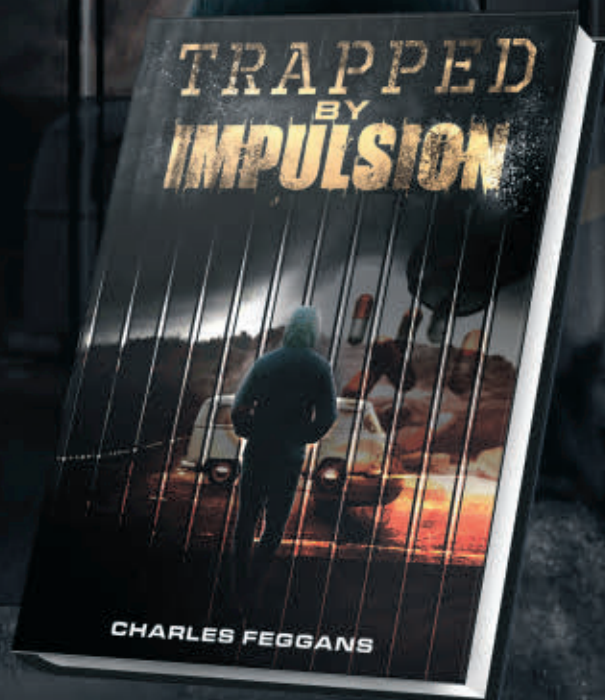

TRAPPED BY IMPULSION

PAPERBACK

979-8-88622-670-6 | \$7.99

E-BOOK

979-8-88622-671-3 | \$2.99

Charles Feggans was a skilled baker for thirty-five years. It was a trade he learned in his tour with the US Marine Corps. He is a father of three who simultaneously worked, cared for his family, and wrote his first novel after the Vietnam War. His first published book is an action-packed story of a man named Jack Wilson.

Trapped by Impulsion is about how Jack is constantly trapped by circumstance. Falling on hard times, he found himself in a state correctional facility plunging into the ruthless world of crime and depravity among hardened inmates. Jack must learn to survive in the world that he is forced into.

SHELLEY CLUNIE

MULTIPLIKINGDOM

PAPERBACK

979-8-88622-595-2 | \$5.99

E-BOOK

979-8-88622-596-9 | \$2.99

Multiplikingdom features characters who were products of Shelley Clunie's creativity. In this book, she made numerals come alive with individual personalities and associated them with a fable where plot twists are the solution to multiplication tables. This book takes learning multiplication to a more creative level. Who would have thought it was possible to study English, math, and the arts all at once?

In this engaging and lesson-filled book, children will take something out of the world of *Multiplikingdom*. Furthermore, reading this book to your kids at a young age kindles creativity, expands vocabulary, and sharpens problem-solving abilities.

Discover your child's greatest strengths and have them enhanced at an early age. Learning is indeed more effective if it is fun!

WWW.CAMBRIDGE.ORG/HIGHLIGHTS

CAMBRIDGE
UNIVERSITY PRESS

Today's struggle for free speech is placed into historical context to explore how laws protect, or threaten, less-powerful speakers.

“

Dennis Baron has written a book that is as elegant as it is urgent. By measuring the distance between the meanings of words and the meanings of laws, he sheds much-needed light on the paradox of interpreting permanent documents with an ever-changing language.

”

Peter Sokolowski,
Editor at Large, Merriam-Webster

“

With characteristic insight and wit, Dennis Baron validates his reputation as one of the preeminent scholars of language and law working today. Through an engaging tour of some of the most revealing episodes in the history of free speech and its regulation, *You Can't Always Say What You Want* skillfully illustrates the ambiguities, uncertainties, and complexities that have long defined our language, our law, and ultimately our public lives.

”

Jonathan Gienapp
author of *The Second Creation:
Fixing the American Constitution
in the Founding Era*
