RONALD HERA

Although set in Jesus' time, Bethlehem's Brothers reads like an adventure novel set in a third world country during a violent revolt. Two brothers are swept into the conflict early in their lives and struggle to find the strength to survive amidst the death and destruction. Each searches for a savior, but success eludes them until they finally discover one who has been ruthlessly hunted since he was two years old. Who is this revolutionary who challenges the status quo and should he be trusted? He talks big but is he who he claims to be? The brothers must decide. There is no teetering on the fence!

Enjoy your trip to the first century!

CHRISTINE KORB

THE MUSIC THERAPY PROFESSION

INSPIRING HEALTH,
WELLNESS AND JOY

In *The Music Therapy Profession: Inspiring Health, Wellness, and Joy*, author Christine Korb dedicates an entire book to demonstrate just how music is important to everyone's lives. We are encouraged to embrace music into all aspects of our lives as it offers more on an emotional level. Music Therapy is a technique used to communicate with others in a way where words can be nonexistent. Some individuals suffer from disabilities and handicaps that cause them to feel isolated in the world and music helps to mend that gap. The author is using her platform of book writing to broaden her reach to encourage others who have the gift of helping others to consider a career in Music Therapy. This will enable those the knowledge that hasn't been shared globally that there is another form of healing, which utilizes the sounds of music.
